Camp Still Meadows is a non-profit 501©(3) special needs camp (Employer ID#: 54-1857340) designed to provide therapeutic activities for children and adults with mental and/or physical disabilities in a country setting. In 1997 we began planning this wonderful facility. Since then, we have added a horse barn with a therapeutic riding program, healing gardens, a picnic shelter, trails through the woods, and our newest addition of a handicapped accessible tree house.

We recommend that riders collect pledges at the time of sponsor commitment. Turn in you money and forms at the registration desk on the day of the ride. Checks should be made out to Camp Still Meadows.

Thank you for all of your support. Come visit the camp anytime to see how the money is being spent.
